EVENT RELEASE AND AGREEMENT NOT TO SUE – PLEASE READ THIS AND SIGN BELOW**

Notice of Risk

I understand that there are inherent and other risks in the sports of skiing, snowboarding, and other snowsliding activities including sledding, as well as with the use of lifts, and that participation in this Event could result in catastrophic injury or death. These risks include, but are not limited to, variations in snow, steepness and terrain, trail side drop-offs, ice and icy conditions, moguls, rocks, trees, and other forms of forest growth or debris (above or below the surface), bare spots, lift towers, utility lines, poles and guy wires, snowmaking equipment and component parts, trail fences and control nets, and the absence of such fences and nets, and other forms of natural or manmade obstacles on and/or off designated trails, as well as collisions with on snow vehicles such as snowmobiles and groomers, sleds, equipment, buildings, obstacles or other participants. Trail fences may be located at various places on some but not all of our trails; such fences are not designed to protect you from injury if you run into them or go through, over or under them. Trail conditions vary constantly because of weather changes and use. I understand that all of the inherent and other risks of snow-sports present the risk of injury, that snow-sports are DANGEROUS, and that injuries can be serious and even fatal. I HEREBY ACKNOWLEDGE, ACCEPT, AND ASSUME FOR MYSELF THESE RISKS AND ALL OTHER RISKS THAT CAN AND DO EXIST WHILE PARTICIPATING IN SNOW-SPORTS AND WHILE ENGAGED IN ANY SUCH ACTIVITY OR EVENT AT JFBB.
